

Ghostbusters:

Marshmallow Man's Revenge

It all started when he got out of his 40 foot grave. Stay Puffed is back and angrier than ever. Angrier than Mister No, Anger the Man, Frankenstein and all of those other angry people.

Meanwhile back in Metropolis, Ghostbusters Tower to be more precise, Xavier is on his 24th minute of gazing out the window. He was keeping watch. His eyes come across Stay Puffed on a city rage destroying everything in his path.

Stay Puffed is determined to get to his destination. {(the secret prison cell of ghost aka T.S.P.C.O.G) it might not roll off the tongue but it's the only thing I could come up with}

Let's get back to the real story, not how I came up with a name for a prison cell.

So Seth grabs Xavier, Xavier grabs Jack, Jack grabs Adam, Adam grabs Angus and Angus grabs Seth. They all jump into the ghost mobile and drive to the incident. When they get there all the ghosts that they have captured over the years start flying right out of the cell, before their eyes.

Seth turns to Stay Puffed who is running away with a big grin on his face. They had prepared for this before.

They activated the 'Just in Case Stay Puffed Comes Back to Life and Lets Every Ghost Out of TSPCOG Sucker 3000' (aka the JICSPCBTLALEGOOTSPCOGST) Yes, they knew that it was not going to suck up Stay Puffed but it will suck up all the ghosts in the city.

Marshmallow Man's Revenge

They waited for night because it would look so much cooler when they take down Stay Puffed under all of the New York City lights.

When they found him, they lured him to the New York Billboard light. He had new powers since the last time and they found themselves right in front of a mini Stay Puffed stampede. They were zapping for their lives.

After they had finished the mini Stay Puff situation they ran in circles trying to find his weak spot.

It was even harder because Xavier was on his 24 minute break, Jack had run away and Angus had been kicked away. Adam and Seth were doing all the work when all of a sudden Jack (in a Tarzan suit) smashed threw a window on the top floor screaming at the top of his lungs. He was on Stay Puffed's head with the lost

Marshmallow Man deactivating key. This let him turn him off for good.

Now Stay Puffed is in a military, 40 foot prison cell just in case he is turned back on.

Till next time...
